

Thanks to all the folks who came out to our recruitment meeting! We are humbled and grateful for all the interest the Browncoat and geek communities have shown in supporting Seattle Browncoats Charities. Below is a list of the various roles and responsibilities that we see for the future of SBC. These are still tentative and are subject to changes, and your suggestions are welcome! If there's anything in red on the list below that you have the time, talent, and interest in doing, please contact us at [pr@sbcharities.org](mailto:pr@sbcharities.org) and we'll be in touch with you in the next two to three weeks. We need to fill these remaining roles as soon as possible so we can continue normal operations with minimal interruption. Keep spreading the word, and we can save our ship yet!
